CASE NO. 08 CV 5831

DECLARATION OF ALASDAIR MCMULLAN IN OPPOSITION TO MOTION OF DEFENDANT Hi5 NETWORKS, INC. TO DISMISS, OR, ALTERNATIVELY, TO TRANSFER VENUE

ALASDAIR MCMULLAN declares under the penalties of perjury as follows:

1. I am the Executive Vice President of Legal Affairs of EMI Music North America (“EMI”). In my capacity as in-house counsel for EMI, among other things, I manage and supervise litigation for EMI and its record label affiliates, including but not limited to Capitol Records, LLC, Caroline Records, Inc., and Virgin Records America, Inc. (collectively, the “EMI

Record Companies"). I make this Declaration upon personal knowledge and in Opposition to the Motion to Dismiss, or Alternatively, to Transfer Venue, of Defendant Hi5 Networks, Inc. ("Hi5").

2. The EMI Record Companies own copyrights and/or exclusive rights in and to thousands of sound recordings, including those sound recordings whose copyrights and/or exclusive rights the defendants are alleged to have infringed in the instant action.

3. Caroline Records, Inc. is a corporation organized and existing under the laws of the State of New York. Caroline maintains its principal place of business at 101 Avenue of the Americas, New York, New York.

4. Virgin Records America, Inc. maintains its principal place of business at 150 Fifth Avenue, New York, New York.

5. Capitol Records, LLC ("Capitol") maintains its principal place of business at 150 Fifth Avenue, New York, New York. Capitol also maintains an office at 1750 North Vine Street, Hollywood, California.

6. All of the corporate witnesses who I expect to testify in this case on behalf of the EMI Record Companies regarding the ownership of the sound recordings at issue reside in the New York metropolitan area, with the possible exception of certain employees of Capitol, who

may reside in the Los Angeles metropolitan area. Additionally, all of the corporate witnesses who I expect to testify in this case on behalf of the EMI Record Companies regarding the injury caused to the EMI Record Companies reside in the New York metropolitan area.

7. All of the documents pertaining to the EMI Record Companies' ownership and licensing of the sound recordings at issue (including copyright registrations, recording agreements, license agreements, and chain-of-title documents) are maintained in New York, New York, with the exception of certain documents pertaining to recordings owned by Capitol, which may be maintained in Los Angeles, California. All of the documents relating to the EMI Record Companies' damages are maintained in New York, New York.

8. As part of its ongoing anti-piracy efforts, EMI regularly conducts investigations from its offices in New York to locate infringing uses of the EMI Record Companies' sound recordings over the Internet. In or around late 2007 and early 2008, under my supervision, representatives of EMI conducted an investigation of Hi5's website from our offices in New York. Based on that investigation, EMI learned that Hi5 and thousands of its users were committing copyright infringement on a massive scale through the unauthorized uploading, sharing, and viewing of thousands of files containing sound recordings that are owned by the EMI Record Companies. During this investigation, EMI's representatives viewed (and documented their viewing of) infringing files on Hi5's website from our offices in New York. Attached hereto as Exhibit 1 is a true and correct copy of spreadsheets (which also were attached as Exhibits A and B to Plaintiffs' Complaint) listing videos that at one time were available on

Hi5 containing the EMI Record Companies' sound recordings, as well as the specific Hi5 URL ("Uniform Resource Locator") location on which these videos were found on the Hi5 website. All of these videos were viewed at EMI's New York offices.

9. All of the documents pertaining to EMI's investigation of Hi5 (with the exception of documents generated by or provided to EMI's counsel), are located at EMI's offices in New York, and all of EMI's witnesses who participated in that investigation reside in the New York metropolitan area.

10. During the course of EMI's investigation, EMI representatives took screenshots of Hi5 webpages containing videos embodying recordings whose copyrights or related rights are owned by the EMI Record Companies. Attached hereto as Exhibit 2 is a true and correct copy of an exemplar screenshot taken by an EMI representative, reflecting a Hi5 webpage on which the video "The Kill," by recording artist "30 Seconds To Mars," is available.

11. I declare under the penalties of perjury that the foregoing is true and correct.

Executed on August 18, 2008  
New York, New York
